

Dear Prayer Partners, Friends, and Loved Ones,

Encouraging words from Guatemala. Several pastors and leaders have reported that there are different kinds of evidences that revival is beginning in their country! How I wish we could be there and experience first-hand God's presence in a country that we've learned to love.

In less than two weeks (March 11) Rigo will travel to Guatemala. He will preach 12 times in 10 days in Guatemala City and Huehuetenango. On the two Saturdays of this trip, he will hold a seminar for high school and college-age young people.

While Rigo is in Huehuetenango, he will meet with our dear brothers, David Eckstrom and Estuardo Clara Vela. They will begin the preliminary planning for a very large interdenominational citywide evangelistic crusade. We are hoping that this crusade will be attended by more than 15,000 and that many of these will come to Christ.

God has greatly burdened our hearts to have this crusade in Huehuetenango. Two months after my open-heart surgery, I flew to Guatemala City for two days of meetings about this crusade. Despite all of our planning, God did not provide the necessary resources, so it was postponed. Now, we are believing that HE is going to allow us to see this highly anticipated crusade come to fruition.

You will recall that I made a trip to Lima, Peru in December to meet with the mayor of a community where half of its 400,000 population live in a slum with no running water, electricity or sewage. Mayor Ocampo threw open the doors for us to have two large weekend Crusades in different parts of his city. We are praying that God will provide resources for us to hold these two Crusades where the only hope that most of these people will ever have, will be in their salvation through Christ Jesus. Most will never sleep on a bed, have more than one meager meal per day, or have good health care (one doctor for 25,000 people).

In the last five years God has given me the opportunity to preach/teach between 125,000 and 150,000 pastors and leaders throughout Latin America. We are grateful to God for the opportunities/invitations that we still have to hold pastors seminars for thousands of Latin American pastors and leaders. Our seminars last 3-4 hours and we teach what the bible says about the importance of a pastors prayer life and God's demand that a pastor live a life holy acceptable unto the Lord. We also preach the message of revival.

Our belief is that through our pastors' seminars and through Rigo's Crusades we will impact Latin America and the transformed lives of pastors, and Rigo's evangelistic Crusades will result in many coming to Christ.
